

NS JEWELS

IZING GUIDE

Explore the Sartoro sizing guide to ensure your ring and / or bangle is absolutely perfect in size and comfort. This guide has been designed for ease, as well as an aid to ensure you know the right size that fits you or your loved ones. We look forward to helping you determine the perfect Sartoro ring or bracelet size.

RINGS

1 / Find your size by measuring your finger:

Step 1 – Using a non-stretchy string or piece of ribbon, measure both the base of your finger and your knuckle to ensure comfort.

Step 2 – Use a pen to mark the point on the string where the two ends meet.

Step 3 – Using a ruler, measure the string in millimeters.

Step 4 – Refer to the chart below and choose the closest measurement to identify your size.

TOP TIPS

Measure your finger when it is dry and at room temperature, and ideally on different days and at different times.

AIZING GUIDE

2 / Find your size by measuring an existing ring:

If you can , choose a ring which is similar in width as the ring you would like to purchase. Once you have a comparable ring, you can use the below sizing guide.

We would always recommend that you choose the larger size if your ring appears to be between two sizes.

Bangles

How to measure your perfect bangle size:

You'll find below a printable ruler which you can use to simply measure your wrist.

Similarly, to the ring, it is advised that you measure a few areas of your wrist, and on different days and at different times. This will ensure maximum comfort for the wearer.

- 14cm – XXS
- 15cm – XS
- 16cm – S
- 17cm – M
- 18cm – L
- 19cm – XL

Please follow the below instructions to print the sizing guides:

To insure the best result, go to printing options and make sure the print scaling option is set "none". The NS JEWELS sizing guide has to be printed on A4 (21x29.7 cm) paper format.

To confirm the sizing guide is printed properly, please refer to the below which should exactly measure 2cm.
